

Hi Everyone,

6/16/21 22:47

The Next DARC Meetings . . .

The next DARC Meetings have been scheduled to encourage discussions on the next DARC President, DARC Treasurer & DARC Secretary. KFØAUW Shawne in Belgrade has agreed to run for the DARC Secretary. Nominations must be in before the October DARC Meeting. The DARC Election will be at the November Meeting. The next DARC Meeting will be on Saturday 6/19/21 at 3:00 PM on the air on Fusion Digital in the DARC Room 28439, FCS 004-29 & the NØBJN-L Echolink Node 925804. I also scheduled a July Meeting on Saturday 7/17/21 at 3:00 PM on Fusion Digital in the DARC Room 28439, FCS 004-29 & the NØBJN-L Echolink Node 925804. My hope with these two Meetings, is to round up DARC Members who can become Club Officers of the DARC.

Computer Talk . . .

In today's world of technology, we all have Smart Phones, Androids, Droids, I phones or some other Cell Phone device. I attached a interesting article from the Readers Digest, which may be of interest to this group. Please see attached Readers Digest 20210601.

Fish Tails from the Deep . . .

As summer kicks off into full speed, the " lunkers " caught on Minnesota Lakes are back for another season ! Please see my attached Fish Tales Star Tribune 20210611.

Until next time,

Rick Houle NØBJN Little Falls
President of the DARC (Digital Amateur Radio Club) KDØYLG
ARRL affiliated Club & a nonprofit Corporation
NØBJN-L Echolink Node 925804 in the DARC Room 28439
