

Hi Everyone,

7/12/2021

The Next DARC Meeting . . .

The next DARC Meeting is coming up on Saturday 7/17/2021 at 3:00 PM to encourage discussions on the next DARC President. Our DARC By

Laws require all Club Officer Nominations must be in by our October Meeting. Our DARC By Laws also require the Election must be held in

November. Our DARC By Laws require the new Club Officers to take Office on 1/1/2022. It's critical that we come up with a DARC President !!

There's no reason one of you very respectable Members of the DARC can't come forward & be President of the DARC.

The DARC Meeting will run over the air on Fusion Digital in the DARC Room 28439, on the FCS 004-29 Bridge & the Echolink NØBJN-L Node 925804.

Locally, it will be carried on the Avon 443.650 + DN (Digital Narrow), Becker 443.475 + DN, Paynesville 444.625 + DN, Brainerd 444.925 + DN,

Alexandria 442.025 + DN & Little Falls 443.075 + DN. Larry NØRND has returned that repeater back on the air - thank you Larry.

The Nets . . .

The DARC Digital Net continues to have a good following with stations riding along with us in the DARC Room 28439, as this Wires X image
