

Hi Everyone,

10/2/2021 17:23

Next DARC Meeting . . .

The next DARC Meeting is coming up on Saturday 10/9/2021 at 3:00 PM on Fusion Digital in the DARC Room 28439, on the FCS 004-29 Bridge & on the NØBJN-L Echolink Node 925804. This is the best way to accommodate the DARC Members from Fargo, North Dakota to Alexandria to the Brainerd Lakes Area to the Twin Cities to Anaska, Wisconsin. The DARC has become a regional Radio Club with a new Member in Little Rock, Iowa this past week. Welcome to the DARC Rob KFØEHL.

The Meeting will be opening up Nominations for DARC Club Officers. The Nominees are :

President : Jerry KFØAUV Belgrade
Vice President : Rick WUØS Little Falls
Treasurer : Jerry KFØAUV Belgrade
Secretary : Shawne KFØAUW Belgrade

If you wish to run for a DARC Officer position, please let me know. The Nominations for Office will close during the Meeting & the Nominees will be placed on the November Election Ballot.

D-Star News . . .

The old Minnesota Reflector went away cuz that hosting place went out of Business on 10/1/2021. Our D-Star group in the Twin Cities have setup a new Minnesota Reflector XLX632. It can be viewed at :

<http://xlx632.dstar.corbettdigital.net/>

The downside is if your running a older device such as a Devap or Dongle, it won't be able to go to the new MN Reflector XLX632. The software on these device has not been updated since 2013 & are only compatible with the original REF Reflectors. Only Pi Stars, Zumspots, Openspots & Raspberry Pis can do the new MN Reflector XLX632.

Computer Talk . . .

I attached my usual collection of Digital Life from the newspaper. It also includes a interesting article about the up & coming Electric Vehicles (E V).

See you at the DARC Meeting.

Rick Houle NØBJN

President of the DARC (Digital Amateur Radio Club) KDØYLG
ARRL affiliated Club & a nonprofit Corporation
NØBJN-L Echolink Node 925804
