### Repeater Status

1. Paynesville 145.270 - FM DCS 172 – Antenna project.  
Estimate from Tyler Scott would do a free inspection and estimation. \$200 for new antenna with help.. Otherwise, \$300 combined.  
KCOCV Dave, agrees Tyler would be a good candidate for the job. Proposal made to approve funds to be spent; KFOAUW makes motion. KGOCV seconded motion to approve up to \$500 for project. Motion 2022-08 Passed with 15 yes votes.
2. Becker 147.345 – Antenna Project.  
Will Becker site be available? KBORRN, Woody, was contacted, so Dave didn't hear back from him. Said he will call him again. Are there any objections to purchasing a new antenna for the Becker site once it's available? KDOMOM wants to know if we are intending to purchase an identical antenna for the Becker site. Dave in Cold Spring said it could cost about \$1,200. Motion made to commit up to \$1,700 for an antenna based on availability of the site. KDOMOM makes motion. WDOKUG seconded the motion. Motion 2022-09 is passed on this.

Motion to close: KDOMOM made 1<sup>st</sup> motion. WDOKUG seconded motion.

KBONNM had comment someone was on Becker repeater down towards the Twin Cities this morning. KDOMOM said it could reach Chanhassen as it is a National Weather Service repeater.

Motion 2022-10 passed

Meeting closed at 3:58 pm.
