|   | kf0auw - live in randall mn - 2 acres of land - rain and snow today                               |            |                                      |
|   | kf0auv - it was as if all the snow in Elrosa blew onto our sidewalk - meeting announcement        |            |                                      |
|   | - I would live near Brigantine Wildlife Refuge  |            |                                      |
|   | kd0mnm - san diego area would be a place to live - never changing weather - 3/4" rain abd 1" snow |            |                                      |
|   | skywarn training tomorrow st marys church 2-4pm   |            |                                      |
|   | kf0hkt - doing fine - haven't thought of another place to live. - perhaps a warmer place          |            |                                      |
|   | kb0nmn - gd evening - rain this am - snow at 9-10 am didn't last long. - hamfest next week        |            |                                      |
|   | kc0qna - 1/4" snow to cover grass - move to fairfield iowa - warmer than MN                       |            |                                      |
|   | kf0gzp - doing well - maybe ireland-  |            |                                      |
|   | <b>Net question: If you could live anywhere where would you live?</b>                             |            |                                      |
|   |   |            |                                      |
